

Privacy Policy

Please read carefully the following terms and conditions.

1. "Object 17" app (Application) will NOT obtain, collect, store or save any personal information, such as photos, locations, etc. Application may collect statistical information to help you in solving your further requests and improve our services.
2. We provide physical, electronic and procedural safeguards to protect information we maintain.
3. You can stop all interactions between you and Application by uninstalling the Application.
4. This Privacy Policy may be changed and updated from time to time for any reason. Please check back the Privacy Policy for changes.
